

SOME OF YOU MAY RECALL that in a recent column we devoted considerable space to the word "gibbosity".

A long-time friend of ours, Wes Smith, of Carmichael, in a note to us had suggested that at times this column "displays some gibbosity".

It was a new word to us. But after research, we questioned its use in describing this column based on the definitions we found in the dictionary: (1) "the state of being gibbous (2) protuberance or swelling".

Now we have heard from another word-fancier who also checked the dictionary but suggests that perhaps our friend, Wes, was using "gibbosity" in the swelling sense and he may have been referring to the upper portion of our anatomy.

To mix our metaphors, that's hitting below the belt. Sort of.

Not that it isn't possible. But we don't think our friend, Wes, had that in mind.

After all, he has known us for many years.

And he knows that we probably haven't done anything to get a swelled head over in all that time.

BUT YOU MIGHT BE interested in the note:

"Dear Mr. Vierhus: Here's what it says. Right here in the New Century Dictionary circa 1942.

"Gibbosity—state of being gibbous. Also a swelling.

"A possible meaning that you have already pointed out.

"Do you suppose that this long-time erudite friend of yours could be referring to the upper portion of your anatomy?"

"If it makes you feel less lonesome "gibbosity" was a new one, too, for this old printer.

"Thank your friend for me. I love to hear a word that I don't know.

"Spent 10 days with my daughter in Campbell so had the pleasure of seeing your paper again.

Best of luck. Ann Cole, Santa Cruz."

Further the deponent sayeth not.

A LITTER-LETTER writing campaign was staged by third graders of Hamilton School last week. And the kids got results.

The youngsters had gone on a litter-walking trip to the Campbell Park in which they picked up debris on the way. But they couldn't find enough bins around in which to dump their sacks. They thought the city should do something about that.

So the litter-minded young people became letter-minded.

New Councilman Rusty Hammer was the recipient of a whole batch of the missives, as was The Campbell Press via our "beautification editor", Mrs. Jeanette Watson.

Neither Jeanette, who has long served as chairman of the beautification committee for the city, nor The Press, were aware that Jeanette had been added to our staff.

But no matter.

The kids got their point across. Jeanette, in her "dual" capacity, as "editor" and committee chairman, visited the school and left some litter bags.

It was only natural that the youngsters should direct their litter-letters to Rusty. After all, Rusty, who is just turning 19, is one of the youngest city councilmen in the country, so the spread of the so-called "generation gap" in his case is considerably less than with the other "city fathers".

Councilman Hammer informed his fellow councilmen that he had contacted the young people personally. He added that it was his first citizen complaint" and he thought that the Council should recognize the criticism

WILL EAST CAMPBELL AVENUE BECOME COMMERCIAL?
At the public hearing on a proposed zone change for East Campbell Avenue, one of the objectors to the zone change suggested that one day all of East Campbell Avenue, now an attractive residential street, would become a commercial development.

The proposed zone change would change four lots, just off

Bascom, now zoned commercial but used for residential purposes, back to residential. The hearing was continued until June 19.

The top picture on the left is of 1062 E. Campbell Ave., directly below is the residential complex across the street. Both parcels are involved in the proposed change. The other photo is of East Campbell Avenue looking west from Midway.

FORMER MAYOR SAYS IT COULD

Will East Campbell Ave. become all commercial?

East Campbell Avenue, one of the top residential streets in the city, from Bascom east, conceivably should be developed all commercially in the future, a former Campbell mayor submitted at the Planning Commission hearing on Monday night.

John M. Chargin, a San Jose attorney who served as a Campbell councilman and mayor before moving out of the city, made that suggestion in objecting to a proposed zone change from commercial to residential for property owned by Mrs. Anna Tock, of 1335 E. Campbell Ave. Chargin was representing

Mrs. Tock.

After listening to the pro and con arguments on the proposed zone change and learning that a Chamber of Commerce study is being made of the commercial depth needed on Bascom Ave., the Commission continued the public hearing on the proposal until June 19.

Involved in the proposed zone change are properties located at 1035, 1039, 1049 and 1059 E. Campbell Ave. on which a fourplex is located and 1062 E. Campbell Ave. on which there is a single-family structure. In addition, 1044 and 1046 Fewtrell are also being considered. A duplex is on that parcel.

The proposed zone change for parcels on the residential streets just off Bascom, had been initiated by the Planning Commission on the basis that the properties were now residential in use, although they are zoned commercial.

In addition, the commissioners felt that the commercial uses should be oriented toward Bascom and not to the residential side street.

Chargin argued that Mrs. Tock would be penalized by the zone change because she had paid taxes over the years on the basis of the commercial zoning. He pointed out that the property in question had originally been part of the larger parcel which had included the corner lot at Bascom and Campbell which had been sold to California Savings and Loan and on which that firm now is constructing an office. He argued that the commercial zoning was necessary for Mrs. Tock to get the highest return.

Opposing the zone change also was Maurice Martin, whose family owns the property on which the La Fonda restaurant is located at Bascom and Campbell and another Bascom frontage on which a new building has been constructed.

Martin explained that his family owned the residential property at 1062 E. Campbell Ave. next to La Fonda and have long-planned to develop that property commercially as part of the small commercial complex. He objected

EXECUTIVE SESSIONS

Trustees of the Campbell Union (elementary) School District have been meeting during the past weeks in a continued series of executive sessions.

To date no announcement has been made as to actions that are to be taken as a result of the sessions.

Agendas for the executive sessions have indicated that future litigation and employment of counsel have been the subjects of discussion.

the four subsequent years, Morgan skillfully handled the MC chores at the affairs.

In February, 1971, Chief Morgan was stricken with a cerebral hemorrhage. He has been incapacitated since that time.

Last year's dinner, however, was held on schedule, under the guidance of Don Burr, then police captain and acting chief.

Tonight's affair will be the first that Chief Burr has conducted in his chief's role.

The city councilmen and city manager will not be able to attend the dinner as they will be in San Diego until Friday attending a seminar for councilmen conducted by the League of California cities.

Police to hold sixth annual community recognition dinner

As tangible evidence of appreciation for the support the department has consistently received from the citizens of this community over the years, the Campbell Police Department this evening (Wednesday) at the Royal Fork will host the sixth annual community recognition dinner. The dinner is scheduled for 7 p.m.

Assemblyman Richard D. Hayden, of the 22nd district, will be the guest speaker for this year's program.

In addition to the serious aspect of the event, "special" awards and recognitions will be made during the fun part of the evening.

The annual award for the citizen of the year will be made at the dinner and, in addition, the officer-of-the-year will be named as well as the reserve officer-of-the-year.

Last year Officer Ron Pennington was named the outstanding regular officer and Stan Troia received the reserve award.

Homer Hyde was named the department's citizen-of-the-year.

Previous citizen award winners were: 1967, Mrs. Evelyn Morgan, the Rev. W.H. (Ben) Gould, Bob Culp, and George Vierhus.

1968, Don Kennedy; 1969, District Attorney Louis Bergna; 1970, Bob Holman and 1971 Homer Hyde.

The annual community recognition dinner was started by former Police Chief John D. Morgan in 1967 and for

NEXT MONDAY NIGHT

Amato ordinance takes last gasp

For the second time in this city's history, the City Council next Monday night is expected to adopt an ordinance to rescind another ordinance because of the objections raised by residents.

At the last meeting, the Council directed staff to prepare an ordinance rescinding Ordinance 832, which established P-D (Planned Development) zoning on the 31-acre Amato property. The new zone would allow a single-family town house development on the property. The property had been zoned R-1 (single-family dwelling).

Thus by repealing the ordinance the property will revert to its R-1 status. Ordinance 832 would have become effective on April 27. But prior to that date, a petition was filed with 1960 signatures protesting the zone change and calling for the ordinance to be rescinded or that a referendum election be called.

At the last meeting the Council ordered the rescinding ordinance drafted, following receipt of a letter requesting that action from Mike Engdol, head of Dura Style Homes which had submitted the development plans.

But the residents who have long objected to the zone change, maintained that the

Council should "rescind" on the referendum petition rather than Engdol's letter.

The signatures on the petition, however, had not been verified at the last meeting.

This week City Manager Bob Stephens reported that 1759 signatures had been verified by the Registrar of Voters, almost 900 more than required for referendum action.

Residents claimed that, if the Council did not "rescind" based on the petition, the 12-month waiting period for a new ordinance would not be effective.

However, the certification of the petition and the ordinance will be on the same agenda next Monday.

In 1964, a similar procedure was followed when an ordinance was rescinded after a petition signed by the necessary number of signatures was filed.

Rotarians host train ride, Bay cruise Sunday, May 21

Campbell Rotarians will host Santa Clara County residents on Sunday, May 21 on a train ride to San Francisco and an hour-and-one-half boat ride on the Bay. For their fifth annual train ride, the 45 man service club has designated this year's Sentimental Journey as "A Day on the Bay," according to Myron Alexander, club president.

A special double-decker train will leave the Southern Pacific passenger depot in San Jose at 9 a.m. on Sunday, May 21. Chartered buses will transport guests to Fisherman's Wharf where a 1½ hour bay cruise will leave at convenient intervals throughout the day.

At 3:30 p.m. chartered buses will again leave Fisherman's Wharf and as S.P. special will transport visitors back to Santa Clara County, arriving in San Jose at 5:10 p.m.

Always a popular event, Alexander said, this year's train, bus and boat ride is planned to recreate the easy, relaxed style of travel popular during the early years of the century. "Sentimental Journeys" of past years have featured blossom tours and a train ride to Monterey. Singers and musicians, composed of Rotarians, stroll the cars while old-time, soft-drink peddlers dispense their wares.

Conductor and brakeman roles are played by club members and all passengers are provided with an interesting brochure highlighting historical facts of the areas visited.

Al Smith is "train master" and Merv Willoughby is ticket chairman.

Proceeds of this community service event of the Rotary Club of Campbell this year will be used to sustain and support youth activities in the West Valley area.

Tickets at \$9 for adults and \$5 for children are available at all Campbell merchants, the Chamber of Commerce, Campbell Water Co. and City Hall.

Many sign for annual tournament

An enthusiastic response for the fourth annual Campbell Chamber of Commerce Golf Tournament on June 9 is being shown by the return of early registrations, according to Ira Kirkorian, committee chairman.

The tournament will be held at Oak Ridge golf course on Cottle Road. It will start with a shotgun tee-off at 12:30 and will be followed at 5:30 with a social hour and trophy steak dinner.

During the golfing on the course a refreshment cart will make an appearance for all thirsty golfers.

All members of the Chamber of Commerce are invited to make reservations for this event. Reservations are on a first come, first served basis

TO BE HONORED—Floyd Little, owner of the A&W drive-in at Winchester and Rincon, is scheduled to be honored for his civic activities by the Beautification Committee at next Monday's City Council meeting.

Little is shown in the "mini-park" he has de-

veloped next to his drive-in. According to Mrs. Jeanette Watson, committee chairman, not only has Little developed the unique garden spot on his own but he has consistently supported the committee in many other beautification activities throughout the town.

GOES UP \$11.2 MILLION

Retail sales in Campbell in 1971 soar to \$68.2 million for new record

Retail sales in Campbell for 1971 soared to a new high record in 1971, showing an increase of more than \$11.2 million over the previous year in reaching the total of \$68.2 million, according to annual report issued by the State Board of Equalization.

Only five of the 15 cities in the county registered higher retail sales for the year than Campbell, although Cupertino showed a greater increase

(\$19.6 million) from the previous year in registering total sales of \$63.9 million.

For the first time the annual retail sales for Cupertino out-distanced that of Los Gatos where retail sales totaled \$63.8 million for the year, a gain of \$6.6 million over 1970.

The annual report shows that a total of 717 retail outlets in Campbell accounted for the \$68.2 million in sales.

There were 454 retail stores listed with sales of \$49.9 million and 454 other outlets recording \$19.1 million.

Major gains were registered in the two top categories in Campbell, "home furnishings" with \$12.2 million in sales in 1971 and "building materials" with \$10.1 million. "Home furnishings" showed an increase of \$2.3 million over the previous year and "building materials" went up \$1.5

million. The report revealed that there were seven more outlets (27) for "home furnishings" than the year before, but one less (19) for "building materials".

Only two retail outlet categories, "auto supplies" and "service stations" showed a drop in taxable sales in 1971 as compared to 1970.

"Auto dealers and supplies" dropped from \$595,000 to \$528,000 and "service sta-

tions" from \$1 million to \$998,000. The report also showed that there were three less gas stations (42) filing in 1971 than the year before.

In Los Gatos, "auto dealers and supplies" in 1971 accounted for \$30 million of that city's total of \$63.8 million, a gain of \$3.8 million over the previous year with the same number of outlets (14) reporting.

Cupertino's huge increase

(\$19.6 million) in total sales in 1971 over that of 1970 was largely due to the tremendous gain in the "general merchandise stores" category. In 1970, six such stores in Cupertino showed sales of \$9.1 million. However, in 1971 there were eight such stores reporting for \$24.1 million, an increase of \$5 million in that one

State propositions

When California voters go to the polls on June 6, they will decide the fate of 10 state propositions. Of the 10 measures, six are constitutional amendments, two are bond acts, one is a statutory initiative and one amends an earlier initiative.

In addition, electorate in six Bay Area counties (including Santa Clara) will vote on "Regional Measure A" which would authorize the construction of another bay bridge from Alameda to northern San Mateo County. We are voting NO.

Proposition 1: The veterans bond act of 1971. This provides for a \$250 million bond issue to fund farm and home purchases under the Cal-Vet program.

The Veterans Farm and Home Building Program was initiated in 1946, and since that time some \$2,175 billion in bonds have been authorized enabling 250,000 veterans to become farm and home owners. Proposition 1 would continue the program. We suggest a YES.

Proposition 2: School building earthquake safety bonds. This measure provides for a \$350 million bond issue to provide funds to school districts for rehabilitating, reconstructing, or replacing buildings which are structurally unsafe under standards prescribed by law.

The state would be required to sell \$350 million in general obligation bonds with \$250 million set aside for restoration of schools recently damaged and the other \$100 million would go to the state school building aid program. State law requires schools to be brought to standards by July, 1975 or abandoned. We suggest YES.

Proposition 3: Right to assistance of counsel. It would delete from the constitution the provision giving a defendant in criminal cases the right to defend himself. It would require that the defendant be represented by counsel, either his personal attorney or a public defender. We recommend YES.

Proposition 4: Open presidential primary. Presidential hopefuls who are seeking delegates would have their name placed on the primary ballot by presenting a petition to the Secretary of State. The petition must be signed by 5% of the vote of the party's candidate in the last gubernatorial election. We are voting YES.

Proposition 5: Appointment of Regents, University of California. The governor now appoints members to the Board of Regents. This measure would require the State Senate to confirm the appointments. We recommend YES.

Proposition 6: Naturalized citizen voting eligibility. Under current law, a naturalized citizen must wait 90 days to register to vote after becoming a citizen. This measure would delete the 90-day requirement, permitting the new citizen to vote immediately. We are voting YES.

Proposition 7: Valuation of single-family dwellings for tax purposes. The constitution authorizes county tax assessors to assess property according to the values determined by its "highest and best use."

This proposition amends the constitution to permit the legislature to require that single-family, owner-occupied homes be assessed as if they are located in areas zoned for single-family homes or for agriculture, regardless of the potential market value of the home. We are voting YES.

Proposition 8: Chiropractors. Proposition 8 amends sections of the Chiropractic Initiative Act to change the qualifications for membership on the State Board of Chiropractic Examiners and provides for the appointment of an executive officer by the board. We suggest YES.

Proposition 9: Environment Initiative. This is the only initiative measure on the ballot. It is lengthy and complex. According to the arguments presented, the initiative is so far-reaching that it would control the composition and qualities of internal combustion fuels; authorize the shutting down of businesses and factories violating air pollution standards; imposes restrictions on leasing and extracting of oil and gas from tidelands or submerged lands on shore within one mile of mean high tide line; prohibits the construction of atomic powered electric generating plants for five years; establishes restrictions on manufacture, sale and use of pesticides; prohibits enforcement officials from having conflicting interests.

We submit that, although the intentions of the advocates of the initiative might have been commendable, the proposed measure is too arbitrary and complex in its contents and the results would be too extreme, if the provisions were to be carried out. We recommend a NO vote.

Proposition 10: Partial Constitutional revision. The proposition is designed to "clean up" obsolete and unnecessary wording in the constitution. We suggest a YES vote.

either by a letter or personal appearance.

The councilmen agreed but first Rusty was kidded about whether the voting age was about to drop to 10-year olds, etc.

But the young councilman showed that he could hold his own in councilmanic repartee.

It was suggested that a letter be sent to the third-graders and that the mayor or city manager should visit the school.

Mayor Bill Podgorske, who has been really trotting around since he has assumed the mayor's mantle and envisioning his tight schedule, hastily submitted: "I'll go along with the city manager bit but..."

He meant, of course, that Bob Stephens should do the visiting of the school but without the mayor.

But Councilman Norm Paul, with his tongue in his cheek tried to take him literally.

"You mean you want to go with the city manager?" he asked.

The moral, here, of course, that one can't afford to be too literal.

THIS HAS NOTHING TO do with anything in particular but in going through our notes we find that we did not recognize some of the many "weeks" that have been officially proclaimed in our community.

For example, did you know that in March there was "Pedestrian Safety Week" in which citizens were urged to observe even more carefully the various traffic signals, crosswalks, etc., which have been installed to aid the pedestrians in the city?

Then we thought that it was quite apropos that "Pedestrian Safety Week" was followed by a proclamation that cited the month of May as "Correct Posture Month" in cooperation with the chiropractic profession.

The objective in that case was to call attention to the public the value of good posture which, according to the chiropractors, is one of the greatest contributing factors to better health, physical endurance, working efficiency and attractive appearance.

Our warped sense of humor sees a slight connection between the two observances.

Do you?
But forget it.
We just may be stretching things too much.

-0-

AS WE HAVE TOLD YOU before, periodically we clear our notes.

We find stuff in our files, for example, that we have no idea why they were saved in the first place.

Take this item, as a findance.

In 1969 there were 2,320 farms in Santa Clara County. In 1964 there were 2,632 farms.

In 1964, the value of all farm products in the county came to \$72,754,500 while in 1969 the total was \$70,467,398.

The value of all crops sold in 1964 was \$53,159,166 compared to \$49,519,358 and the value of all livestock, poultry and their products in 1964 was \$19,435,813 compared to \$20,933,705 in 1969.

There is no reason in the world why you should be interested in such dry statistics.

Unless, of course, you are aware, as all of us have to be, that this area of ours is no longer agricultural to the degree it "used to was."

But that really is not the

Community hospital gains accreditation after survey

Campbell Community Hospital, a 48-bed, short term, acute care, general hospital, has been approved for accreditation for a period of two years by the Joint Commission on Accreditation of Hospitals following a recent survey, according to Jerry Schutz, administrator.

This is the maximum period of time that hospitals can be accredited under the recently revised standards of the J.C.A.H.

In the letter of notification of the two year accreditation, the Commission stated, "We wish to commend you for maintaining standards deserving of accreditation and for

constant effort to improve the quality of patient care."

Located at 1650 Winchester Blvd. in Campbell, the hospital is in the beginning stages of reconstruction of existing facilities, expansion of outpatient services, and improvements in the hospital grounds and adjacent properties. Initial construction following the demolition of unused houses on the property should begin within two months, Schutz adds.

"With the Joint Commission on Accreditation of Hospital's two year accreditation now a reality, Campbell Community Hospital plans to go ahead with its expansion program that has been on the architect's drawing board for the past three months," the administrator points out.

"There is a need for a small hospital in this area of 'bigness', and many physicians prefer to practice in a small hospital because of the high quality of nursing care that the patient receives at a hospital such as Campbell Community."

"With National Health Insurance in the near future, the small hospital will continue to serve as a vital link in the health care delivery system in the United States," Schutz emphasizes.

AMATO CASE

Dear Editor,
The large opposition to the rezoning of the Amato property surely shows that the citizens of Campbell are fed up with Campbell's hard long race to becoming the most populous city in California.

I think it's time our city council wake up to the fact that they can no longer run the city their way, but must begin to consider the citizens who elect them. If this is done maybe our next voter turnout will be more than 23.9%.

Sincerely,
Vern Heisinger

to the parcel being rezoned residential for that reason.

He maintained that the property had been zoned commercial even before it was in the city. In addition, he had submitted plans to the Planning Commission for approval of a commercial building on the site.

Action on the building plans was continued by the commission until the zoning recommendation had been settled.

Holly Vollenweider, local realtor and chairman of the Chamber of Commerce commercial development committee, also spoke in opposition to the proposed zone change. He pointed out, that the Chamber of Commerce had recommended that the zone remain commercial.

Vollenweider said that a study is now being made for all properties fronting on Bascom between Campbell Ave. and Dry Creek Road, in the county as well as the city, to determine what depth the commercial zoning should be on heavily-traveled Bascom.

Taking the mike in vigorous opposition to further commercial encroachment on Campbell Ave. was William L. Dok, of 1330 E. Campbell Ave., a San Jose attorney.

Dok took exception to the arguments that more depth was needed for commercial developments along Bascom and he emphasized that the residents on E. Campbell Ave. rated as one of the most attractive streets in town, were united in their opposition to any more commercial zoning on the street.

Campbellites can get new button-phones

Touch-Tone telephone service is now available to over 25,000 Pacific Telephone subscribers in five Campbell area prefixes, according to local telephone manager Jim Bower.

The push button phone system, which speeds up placement of a call, can now be provided in these prefixes: 371-, 374-, 377-, 378-, and 379-.

With the push button instrument, a call can be placed within seconds, something especially important to businessmen who have a series of calls to make.

"It's definitely not a gimmick item," Bower said, "although ... like lots of new things, it's catching on fast."

Monthly charge for Touch-Tone is an additional \$1.60 for residence lines and \$2.10 for business use, with one push button phone included in the fee.

There is also a non-recurring charge of \$5.00 for the new service, plus another fee for each Touch-Tone extension, all in addition to the regular monthly service cost.

According to the report there was one less outlet listed in the "food stores" category in 1971 (21) but total taxable sales increased from \$5.6 million in 1970 to \$6.1 million.

"Eating and drinking places" showed a big gain in 1971 over 1970, going from \$4.3 million to \$6.1 million, a jump of \$1.8 million and there were two more (58) places in town than the year before.

Substantial gains were also

shown in the other categories: "apparel" (14) to \$1.7 million from \$933,000; "general merchandise" (9) to \$2.7 million from \$1.9 million; "drug stores" (9) to \$1.2 million from \$1.1 million; "liquor" (11) to \$2.3 million from \$2 million.

Total sales for the Santa Clara County cities as listed: San Jose, \$917.4 million; Santa Clara, \$265.7 million; Palo Alto, \$226.2 million; Mountain View, \$188.4 million; Sunnyvale, \$187 million; CAMPBELL, \$68.2 million; Cupertino, \$63.9 million; Los Gatos, \$63.8 million; Los Altos, \$41 million; Gilroy, \$34.4 million; Milpitas, \$31.9 million; Saratoga, \$13.7 million; Morgan Hill, \$13.5 million; Los Altos Hills, \$11.1 million; Monte Sereno, \$66,000.

Warehouses get okay of planners

Plans for a warehouse at 520 McGlincey Lane for Oliver Nelson which have been before the Planning Commission for several months were approved on Monday night with the added stipulation that an 8-foot high wall be constructed as a "buffer" for the residences that are adjacent to it.

Jack Trimble also was given approval for plans for a warehouse office at 75 and 81 Dillon and Snowden-Pencer was given the okay for an addition to its present building at 1587 Dell Ave.

Approval was also granted for the remodeling of the Texaco station at 1501 W. Campbell, but the commissioners turned down the request of Vincent Talluto for a use permit to rent trailers and trucks at the service station at Winchester and Latimer.

Garland Spears was granted a use permit to conduct a retail house trailer and camper sales operation at 175 Currier and the six-lot subdivision for George Van Sickle on Dell Ave. also was approved.

Benjamin Smith won approval of his zone change request (from CM-B-80 to CM-B-40 on Division St. and the Commission also gave approval to the landscape plans Los Gatos Creek-presented by Mrs. Edith Morley, chairman of the Parks and Recreation Commission.

The plans were drafted by the flood control district.

Action was continued on the application of W. W. Martin for a contractor's storage yard at 180-198 Kennedy and also on the plans for a residence submitted by E.R. Nolen at 313 Grant Ave. in the Civic Center Zoning district.

ivic leaders discuss mass transportation

Ralph Mehrkens, Santa Clara County supervisor, leads the list of noted speakers who will take part in West Valley College's forum, "Transportation: Concern or Crisis for the Santa Clara Valley," being held 8 to 10 p.m. Tuesday and Thursday, May 16 and 18 and Monday and Wednesday, May 22 and 24.

The transportation issue is especially relevant since Measure B on the June 6 primary ballot deals with the problem of providing mass rapid transit for the county.

Speaking on May 16 are Alvin L. Spivak, a member of the county's Transportation Policy Committee, and Wolfgang S. Homburger, a research engineer and lecturer at the University of California, Berkeley, and editor of "Urban Mass Transit Planning."

On May 18 Dr. Joe Armstrong, associate professor of electrical engineering and cybernetic systems at San Jose State, will discuss "Transportation Tomorrow: What are the Possibilities?"

Steve Larson, a consultant to the California State Senate Committee on Public Utilities and Corporations, will speak on May 22.

The final night of the seminar features a panel presentation led by Dr. Patrick Manthey, a systems engineer at IBM who has explored the use of computers in establishing planning systems for local governments.

Those interested in participating in this forum must register at West Valley's Community Service Office, 44 E. Latimer Ave., Campbell, room L-36, telephone 379-1733, ext. 58.

SEEKS REELECTION — Superior Court Judge Gerald S. Chargin, who has been on the Santa Clara County Superior Court bench for more than 12 years, is seeking reelection this year in the June 6 balloting.

Chargin was appointed to the Superior Court in 1959, after serving as president of the county bar association and an officer in the state association. Judge Chargin is a member of a well-known Santa Clara County family who have resided in the county for more than 70 years. He is a brother of Attorney John M. Chargin, a resident of Campbell and a former mayor of this city.

MAY 17:

On this date in 1934, a U.S. seaplane altitude record was set by a Sikorsky S-42, carrying a payload of 11,000 pounds. It flew to an altitude of 20,406 feet.

CONCESSION STAND

A concession stand is now being built for Camden at the Regional Vocational Center.

The stand will be used next fall, and has facilities to accommodate electricity and water. The stand has one window at each side which can serve four people comfortably at one time.

It will be used to sell refreshments at all sports events like track or football and any special events that might occur.

Blueprints for the stand were drawn by the Regional Vocational Center, the metal work is being done by Paul Wright, a senior at Camden; and the design consultant is Phil Keeton, also a senior at Camden who was head of concessions for two years.

CSF MEMBERS

"TRIP OUT"

About 130 CSF members left today on three buses from Camden parking lot at 10:30 to go to San Francisco.

Qualifications to go on this trip were: be a member of CSF or Honor Society for two semesters and serve two three-week terms behind the windows of Cougars Den serving food.

In San Francisco the students first have a choice to see Golden Gate Park, Fisherman's Wharf, the Academy of Sciences building, or a baseball game at Candlestick Park between the San Francisco Giants and the Cincinnati Reds.

For the night's entertainment the students will be able to see either the movie "Godfather" or "Fiddler on the Roof."

The CSF commission gave each member going on this trip \$5 to help in paying for their dinner and the movie.

ATTEMPTS MADE TO

BRIDGE GAP

In attempting to meet with today's rapidly changing society, teachers and students often become strangers.

The Camden Student Faculty Activity Committee is making the following general proposal to the Campbell Union High School District Board (CUHSD):

To create a time block during the regular school hours in which time can be allotted to the development of additional activities that will broaden the high school environment.

This proposal will utilize 50 minutes (taking 5 minutes from each class each Wednesday of every week), inserted between the third and fourth periods and open to the entire student body, certified personnel and the administration.

Some of the things the proposal is designed to create are: a greater chance for tutorials, to provide more time for students and faculty to meet together and to increase opportunities for student involvement in activity programs.

Students will be able to select their activity from a list that will be submitted to Mr. Purcell, activities director, at the end of each month.

Among the activities which the students selected and the teachers supported were general rap sessions, current events, bicycle club, arts and crafts, Bible study and sewing club.

Those activities which hit the bottom were: gymnastics, coin club, motorcycle club, and nursing.

The activity program was voted on by some of the

teachers and passed, 64 for, and seven against.

There have been two committees working on this program, one with teachers and one with students.

Leading the teachers is Mrs. Plant, followed by Mr. Stiles, Mr. Craig, Miss Sasser, and Mr. McKee.

Heading up the student group is Mike Coffaro, Julie Nelson and John Luccia.

The student activity program will first have to be passed by C.U.H.S.D. before it can go into effect next year.

The proposal will be brought before the board next Wednesday, May 24. The board meets at the district offices next to Camden High School.

"13 UNLUCKY NUMBER?" Camden hosted their 13th annual Honors Banquet Thursday, May 9, at the Royal Fork restaurant.

The purpose of this banquet was to honor and recognize those Camden students

who have distinguished themselves through academic excellence.

The honors banquet was dedicated to "a lifelong friend and advisor", John Marks, a teacher at Camden who has "patiently stood by and helped the members of the Scholarship Commission through the years."

This 13th annual banquet didn't seem to appear to be unlucky as 31 CSF Sealbearers

and two potential sealbearers (those who need just one more semester for qualification) were honored.

The Sealbearers are: Sheri Bebb, Chere Beebe, Bob Bignell, Laura Bishop, Rhonda Blair, Marueen Chandler, Kathleen Dinshaw, Joyce English, Darrell Evora, Debby Ferdinandsen, Deanna Ferrante, Miriam Frazier, Jean Garland, Paula Goetz, Heidi Heath, Gail Ikeda, Karen Jen-

sen, Michelle Koneko.

Chuck Kirkham, Mary Lannon, Julie Nelson, Linda Porzynski, Jeanette Preston, Jamie Richardson, Bruce Siggins, William Slough, Jan Turner, Cathy Wiens, Simon Wong, Becky Byron, Sidney Cox. Potential Sealbearers are Larry Kondo and Joyce Nelson.

Sealbearers are students whose diplomas and transcripts of the California Scholarship Federation. They also re-

ceived a gold and purple CSF emblem pin and a certificate at the banquet.

Other honored students were those who received "A's" in all subjects, including P.E. for both semesters of the last school year and those straight "A" students in the spring and fall semesters of the 1971-72 year.

These students were presented a pen set at the banquet.

IN PEN AND INK---Kris Lindseth of Westmont High School won a first prize for this pen and ink drawing entered in competition with

other high school students in the Country Woman's Club of Campbell's annual art awards contest.

EXPLAINING TECHNIQUE--When Carol Monlux, Prospect High School student, was awarded first prize in the Country Woman's Club of Campbell annual art awards

for her oil painting, Ross Deniston, Campbell Union High School District art supervisor, was on hand to congratulate her.

School festival features songs dance and jazz

Music from Germany to south of the border will fill the air at West Valley College in May as part of the college's eighth annual Fine Arts Festival.

Teatro Mexicano, a colorful troupe from the southlands, will present Mexico's theater of the dance on Friday, May 19 at 8 p.m.

The annual spring concert of the 30-voice Madrigal Singers, directed by Kathryn Huss and the 60-voice Concert Choir, under the baton of Kenneth Jewell, will be presented Tuesday, May 23 at 8 p.m.

Soloists for the evening include Debbie Hamouris, Fred Viens, Bob Zarcone and George Phillips.

The Symphonic Band and the Jazz Ensemble both under the direction of Joe Davis, will share the bill on Thursday, May 25 at 8 p.m.

All three events will be held in the college's Campbell campus auditorium, Winchester Boulevard and Campbell Avenue.

All events are admission free, but tickets are required for Teatro Mexicano and may be obtained in Community Services, 44 E. Latimer Ave., Campbell campus, room L-26, phone 379-1733, ext. 58.

DAILY CARE--Last Arbor Day, Mrs. Ruth Leland's afternoon kindergarten class at San Tomas School planted this redwood sapling along the west edge of the school's ath-

letic field -- but that was just the beginning. The children, who take turns watering the tree, are learning that they care about a plant more when

they are responsible for it. A sapling was donated to each class at San Tomas School by the Santa Clara County Parks and Recreation Department.

Art awards made to students

Students from Campbell Union School District's High Schools were honored Monday by the Country Woman's Club of Campbell at their annual Eola Howe Art Awards presentations.

Five categories were judged by a committee of the club women; oil painting, water color and tempera, drawing, craft sculpture and craft-mixed media.

The awards began eight years ago under the direction of Mrs. J. Don Howland, Chairman for this year was Mrs. Dave Ribble.

First place in oil painting was Carol Monlux of Prospect High School. Second was Terry Earlywine, Prospect; and

third, Larry Baumgardner, Camden.

In water color and tempera: First, Peg Boettcher, Westmont; second, Robin Carrico, Westmont; and third, Larry Baumgardner.

Top prize in drawing went to Kris Lindseth, Westmont; second, Carolyn Day, Del Mar; and third, Barbara Figel, Branham.

Craft sculpture: first was Loren Nickborg, Prospect; second, Linda Creswell, Prospect; and third, David Spillman, Blackford.

Carolyn Day was first in craft-mixed media. Second was Irene Bauer of Blackford and third went to Linda Creswell, Prospect.

The awards and display of the winning art works were made at the women's clubhouse, 274 E. Campbell Ave.

Chairman for the day was Mrs. F. Albert Ellis. Assisting her were Mrs. Katherine Fee-

ney, Mrs. Carl Field and Mrs. J. E. Giacomazzi.

The club women will conclude their business year with installation of officers on Monday, June 5.

DEAF YOUNGSTERS--These smiling children from the Peninsula Oral School for the Deaf, Redwood City, will benefit from a rummage sale

sponsored by the institution on Friday, May 19, and Saturday, May 20 at 243 Campbell Ave. Proceeds from the

sale of furniture, appliances, clothing and books, will help fund pre-school classes for deaf children.

CARTOON BOX--Larry Baumgardner, Camden High student, displays an unusual cartoon box which earned him a third place award at the

Country Woman's Club of Campbell's annual art presentations. Larry also won a third prize in the oil painting category.

CRAFT WINNER -- Carolyn Day, Del Mar High School student, displays her first place

winning design for the Country Woman's Club of Campbell.

Market is for beautification

Among the attractions at the Saturday, May 20 Cambrian School Flea Market, will be a booth stocked with succulents and cactus by members of the Blossom Valley Garden Club.

Food and soft drinks will be available during the fund-raising event, sponsored from 8 a.m. to 5 p.m. by the Cambrian Home and School Club. Proceeds will be used to beautify the school grounds.

Rental space at the flea market is open to the public, and will be offered to children at special rates.

For information phone 377-3184 or 371-6787.

Carnival stars games and food

Ending the school year on a festive note, Bohnett Elementary, 2275 S. Bascom Ave., will present a fund-raising carnival for educational aids from 11 a.m. to 4 p.m. Saturday, May 20.

The carnival, sponsored by the Bohnett Home and School Club, features a bean count for which three prizes will be given, a white elephant treasure chest of small items selling for 10¢, 20¢ and 30¢, and a cake walk.

For 10¢ tickets, visitors may play games like dart balloon, bean bag, or fish pond -- and win a prize just for being a good sport.

Hungry carnival goers can snack on popcorn, snow cones, cotton candy and ice cream, hot dogs, German sausage or a complete lunch plate of sandwich, relish, potato chips.

NERVE HANDICAP

Dr. Robert F. Buckley, psychiatrist, will speak at the Thursday, May 18 meeting of the county chapter of the California Association for Neurologically Handicapped Children.

Mega-vitamin doses and the hypoglycemia diet will be among the topics covered at the meeting, which starts at 7:30 p.m. in the multi-use room of Parkway School, 165 Saratoga Ave.

MISSIONARY--Ray Dunham, teacher at Faith Academy in the Philippines, and missionary with Overseas Crusades, will speak at the Saratoga Avenue Baptist Church, 1735 Saratoga Ave., at 7 p.m. Wednesday evening, May 17.

Special mother learns to cope

Caring for a young child is always a special challenge for handicapped mothers. But Mrs. John Wytman, a registered nurse and Peace Corps worker victimized recently by multiple sclerosis, is coping beautifully.

Mrs. Wytman, who two months ago gave birth to Karen Ann, "A real Leap Year baby," was named "Mother of the Year" by the Santa Clara County Chapter of the National Multiple Sclerosis Society.

Although a new baby presents problems in any family, there are special problems when the mother must move from room to room with the help of either a walker or a wheelchair.

Working together, the 31-

year-old and her accountant husband, have conquered most of these problems.

Mrs. Wytman uses the wheelchair in the kitchen and when she bathes the baby.

She usually uses a walker to get around the rest of the house, but with the arrival of Karen Ann she finds the bassinet her husband modified especially helpful.

He also moved the washer and dryer into the house, from the garage, so she can do her increased laundry with a minimum of effort.

The Wytmans, who live in West San Jose, began training for the Peace Corps shortly after their marriage in 1967.

They wanted to go to Africa and were sent to Asmara, Ethiopia, a city large enough

to have a hospital.

Mrs. Wytman taught nursing to "dresser students" there and her husband taught English.

Her legs were giving her trouble even then. "I couldn't walk much," said Mrs. Wytman, who had experienced numbness in her legs since 1965.

"But it all worked out well, my husband put me on his bicycle and bicycled me to and from the hospital every day."

When they returned to the United States in the summer of 1969 Mrs. Wytman went to work part time as a nurse in a San Jose hospital.

Walking and staying on her feet became increasingly difficult, however, and she finally had to give up working.

Still wanting to help people she and her husband took training to work as volunteers talking and listening to lonely and depressed people who call CONTACT.

"When you hear some of the problems those people have," Mrs. Wytman commented, "your own problems don't really seem so much."

Though she was unable to keep up with this program, her husband did, and is now a volunteer telephone worker for CONTACT.

He also does volunteer work for the blind, driving a servi-car to transport people.

Although being confined to the use of a walker and a wheelchair had already limited her activities, Mrs. Wytman finds that with the new baby she seldom gets away from the house, "even to go to church, or a movie, or a restaurant." "I know the importance of rest to all multiple sclerosis patients," says Mrs. Wytman, whose disease was diagnosed a year ago.

She believes that she has gotten no worse during the past year, even with her pregnancy and birth of her baby, and feels that the rest and a strict diet definitely helped.

Sympathetic help and guidance, as well as information and direct aid are among the services available to Mrs. Wytman through the local chapter of the National Multiple Sclerosis Society. This program is financed through contributions, memorials, special events and the Hope Chest residential campaign, being held May 20 to 27.

Anyone wanting to volunteer for the drive may contact the local Multiple Sclerosis office, 1060 Willow Street, or telephone 286-4111.

WOMEN TO SHOW

Trinity Presbyterian Church, 3151 Union Ave., is holding its annual "Sew and Show" tea and fashion show.

All garments displayed have been created by the participants themselves, and pattern numbers and approximate cost will be given so that guests can create the same effects themselves.

The show will begin at 2 p.m. on Saturday, May 20. Cost is \$1.50 per person, and proceeds will go for church repairs.

Club founder to aid horse show

John Martini of Campbell, founder of the Mayfair Riders Club, will be among the local people such as Frank and Frances Kukuk and Dick Miller, who will be helping with the group's 23rd annual horse show being held on Sunday, May 28 at the county's Horsemen's Association grounds, 20350 McKean Rd.

Starting at 9 a.m. there will be five junior and six open events as well as other classes highlighted by presentation of the Ed R. Levin Memorial Trophy High Point Award.

For information on the show, which has entry fees set at \$2.50, juniors and \$3, open, contact the event's secretary at 251-4817 or address checks to Mayfair Riders, Angie Locchessi, 10521 Fleming Ave., San Jose.

Campbell High invites public to carnival Friday afternoon

Carnival will be the mood at Campbell High School Friday afternoon when students and faculty unite for their first such festival.

From 3 to 7 p.m. the students will welcome the public at the school cafeteria where school clubs and commissions will sponsor games and refreshments.

Featured "attraction" will be a "bean-the-dean" booth, a game in which participants can throw wet sponges at

Dean of Boys Pat Brimmer, Lee Cunningham, Dean of Girls, and Bob Peck, principal, will also be "featured."

No admittance charge will be made and proceeds will go to the activities of the clubs and commissions.

Prizes will include frisbees, buttons and teddy bears.

READY FOR A FAST GET-AWAY?—Pat Brimmer, Campbell High School's Dean of Boys, has agreed to be the

target for a "bean-the-dean" booth at the school's first carnival Friday afternoon from 3 to 7 p.m.

WESLEY SINGERS — Stuart Carty, Kord Kelly, Sal Tricomo, Chris Stark and Greg Lamy, under the direction of Bob Campbell, comprise the

"Wesley Singers," young boys of the First United Methodist Church who'll participate in the church's annual music

festival, "All Things Bright and Beautiful," which will be presented Sunday, May 21 at 6:30 p.m.

VOCAL ACTION—Members of Campbell United First Methodist Church Choralliers, composed of fourth, fifth and

sixth grade girls, mimic their director, Mrs. Patty Hannon, as accompanied by Mrs. Gloria Lamy, they rehearse numbers

from musicals to present at the church's annual music festival on Sunday, May 21 at 6:30 p.m.

Methodist Church has annual music festival

Over 140 singers will take part in "All Things Bright and Beautiful," First United Methodist Church's annual music festival at 6:30 p.m. on Sunday, May 21 in the church fellowship hall and patio garden, 1675 Winchester Blvd.

Under the direction of Bob Campbell, the Cherub Choir, Wesley Singers, Choralliers, Youth Choir and Sanctuary Choirs will offer an evening of song, including selections from "Oliver" and "Bedknobs and Broomsticks."

An original composition by Campbell, "Praise the Lord" will be performed by the Choir, with brass, percussion and flutes.

Guitarists Steve Harris and Greg Guffey will offer selections, as will the Elizabethan

Recorder Ensemble and the Essex Trio.

An art exhibit by Mary Margaret Novak will also be on display.

No admission for the concert is charged and child care is provided.

Church holds Sunday picnic

A picnic for all its friends and members will be held by the Congregational Church of Campbell at 1 p.m. on Sunday, May 21, at the Hellyer unit of Coyote Ridge Park.

Relays, baseball and other games will be just part of the fun at the park, which is graced with a stream, small lake for fishing and boating, barbecue pits and hiking and biking trails.

Steaks and hot dogs will be sold, but each family will bring salad and dessert to give the picnic the zest of a varied menu.

CLEFT PARENTS

An 18-year-old girl born with a cleft lip and palate, Jessica Kimmey, will speak, along with her parents, to the next meeting of the Cleft Parent Group, Inc. at 8 p.m. on Tuesday, May 23 at the Lutheran Church, 1550 Meridian Ave.

Coffee will be served a half an hour before the program.

LEGAL NOTICE

RESOLUTION OF INTENTION TO DEDICATE AN EASEMENT FOR PUBLIC STREET, STORM SEWER, & DRAINAGE PURPOSES TO THE CITY OF SAN JOSE, CALIFORNIA
Pursuant to sections 16251 through 16255 of the Education Code of the State of California.

WHEREAS, the CAMPBELL UNION School District of the County of Santa Clara, State of California, hereinafter called "District," is the owner of the following described real property situated in said district and in said county, to wit:

The west fifteen feet of that parcel of land described as follows:

Beginning at an iron pipe set at the Northwest corner of that certain 10 acre tract conveyed to Hermann Hanneman by Deed recorded in Book 72 of Deeds, page 50, Santa Clara County Records, in the South line of the 40 acre tract conveyed to James H. Kelly by deed recorded in Book 17 of Deeds, page 309, Santa Clara County Records, said pipe being distant along said South line of said 40 acre tract North 89° 30' East 656.04 feet from the intersection thereof with the Southeast line of right of way of the Southern Pacific Company (formerly South Pacific Coast Railroad Company); thence along said South line of said 40 acre tract (being also the Northern line of a 30 foot right of way known as McKinley Avenue) North 89° 30' East 610.33 feet to an iron pipe; thence South 0° 44' 50" East 7.13 feet to an iron pipe; thence South 89° 30' West 611.34 feet to an iron pipe in the Easterly line of said 10 acre tract; thence along said Easterly line of said 10 acre tract North 0° 40' West 713.13 feet to the point of beginning. Containing 10.000 acres, more or less, and being a portion of the Los Coches Rancho.

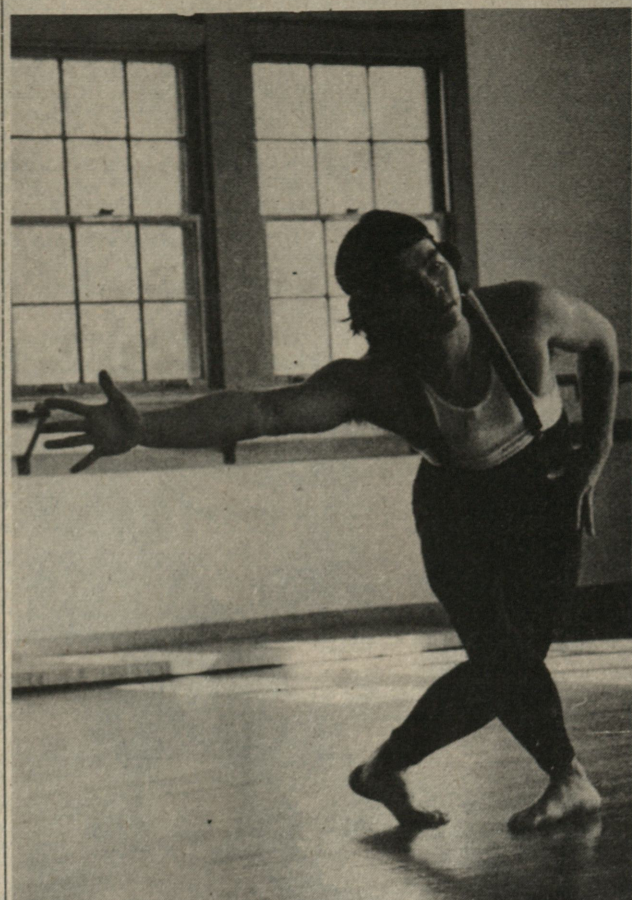

WHEREAS, it is to the best interest and advantage of said district that a public street, storm sewer, and drainage ditch be maintained and operated by the City of San Jose over, upon, through and across the hereinabove described real property belonging to said district; and

WHEREAS, it is necessary for said district to grant an easement to the City of San Jose for said purposes.

NOW, THEREFORE, BE IT RESOLVED that this board intends and hereby declares its intention to grant an easement to the City of San Jose of all the real property hereinabove described for the purpose of maintaining and operating a public street, storm sewer, and drainage ditch and that this board on the 25th day of May, 1972, in its meeting room located in Campbell, California, which said room constitutes the regular place of meeting of said board in public meeting, at the hour of 8 o'clock, p.m., will hold a public hearing upon the question of granting an easement over said real property to the City of San Jose for the purpose of maintaining and operating a public street, storm sewer, and drainage ditch.

AND BE IT FURTHER RESOLVED that no vote of the electors of said district shall be taken before such dedication is made; and be it further resolved that said easement will be granted to the City of San Jose upon the following terms and conditions, to wit:

The City of San Jose will pay for all necessary advertising costs in connection with the granting of said easement.

PERFORMS TUESDAY —

Ex-residents host Dane girl

Two Campbell High School graduates, now residing in Reedley, California, are hosting a student from Denmark in their home this year.

Ray Phariss, class of 1949, and his wife, the former Pauline Cleveland, class of 1951, wrote to her mother, Mrs. W. L. Cleveland, 107 E. Rincon, that the young lady from Copenhagen is a lovely addition to their family, Denise, 17, Cindy, 14, Jim, 10, and Susan, age 7.

The Phariss's have lived in Reedley for the past five years. Their youngsters are active 4-Hers and the family farm has almonds and alfalfa.

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER REQUIRED FOR HIGHWAY PURPOSES

S.D. No. 3
Project: Central III
Parcel No.: 2813-35 EX
WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 950.0 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Sixteen Thousand Dollars (\$16,000).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Co., 300 South First Street, San Jose, escrow number 154960. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of One Thousand Six Hundred Dollars (\$1,600.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent (10%) of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 3. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced to writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the redemption of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or
(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed.

The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum. Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with which ever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date. The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformity to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and

naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price for the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on July 12, 1972 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., July 12, 1972, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution in writing, stating the name of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on May 2, 1972, by the following vote:

GIRL SCOUT

News

by Carol Casteel
Troop 861 of Campbell School celebrated Girl Scout Week with a visit to the Pizza Hut where "Smitty", the manager showed the girls how pizza is made, and then treated them to pizza and soft drinks.

The girls along with troop leader Ardie Flannagan, and co-leader Mrs. Sarah Heisinger then proceeded to Eastridge to sing songs. Those girls participating and working on a song badge are: Pat Avila, Jodie Beireis, Sarah Bergman, Dawn Christina, Joan Collier, Sherrie Curtiss, Barbara Fortuna, Diane Heisinger, Karen Hermle, Rhonda Huff, Candi James, Debbie James, Carol Mason, Suzanne Munoz, Christy Randazzo, and Robin Frazier.

A highlight of Easter week for Jodie Beireis, Joan Collier, Diane Heisinger, Mary Hooper, Carol Mason, Mary Monahan, Christine Randazzo, and E. Lynn Skoff was a trip to the "Sam Della Maggiore Center for the Retarded" where each girl helped serve food, set up games, push the children in wheelchairs, and played games with the children.

The girls walked with the teachers and children to near-by Chandler Tripp School for an Easter Egg Hunt. The day was very rewarding for all the girls, and they are looking forward to a return visit.

END OF FIRST HALF

DARTING AROUND

with Tom Carroll

This week I said I would talk about three dart out combinations. To start it off let's look at what happened at last Wednesday night's Singles Preliminaries at the Country Store in Mountain View.

Gary Curtaz of Scarlet LaRue I had two nine dart games back to back. In the first game, he got away with a 150, followed it with 81 and shot a 60 out. His second game had a ton (100) away followed by a ton with a 101-out.

101-out can be hit in several ways. The double 16 progression shooters would go for a triple 20, single 9, double 16; triple 19, single 12, double 16 or triple 18, single 15, double 16.

The people that like the double 18 have it nice, too; triple 18, single 11 and the double 18 for the out. Another combination, but not recommended, is the triple 17, center bull.

I am not saying that you have to be a mathematical genius, but it helps. How many people would look at a 127 and know that they should shoot a triple 20, triple 17 and a double 8.

This is true of any of the other three dart combinations. When we started this series three weeks ago we said the numbers below 158 could all be three dart outs.

I have available a list of the combinations from the highest out, 170, on down the scale.

SINGLES PRELIMS

There were 54 entries last week in the singles prelims at the Country Store in Mountain View. The Singles Championship will also be held there this Sunday at 2 p.m. The Store normally doesn't open on Sundays and our thanks to Tony Modica for his hospitality.

From the 54 shooters ten

qualify for Sunday's match. The ten from South Bay League are: from Scarlet LaRue I, Gary Curtaz, Phil Albers, and Jim Macredes; from Lancashire Lad teams, Frank Malsbury, Eric Branthwaite and Bob Brannen; Black Watch I, Dave Hughey and Tom Carroll; Banbury Clock I, Rick Miller and Burke Jansson of Primrose Lanes II.

POTPOURRI

From Southern Cal comes word their association will have 92 teams in the summer league and their membership has passed 1,000. The Washington, D.C. club reports they passed the 500 mark last week...Would you believe a five point dart match lasting 6 hours and 50 minutes? More on that next week.

Kirkwood Plaza shows trailers

The latest in recreational vehicles will be shown in the Kirkwood Plaza parking lots, 1820 W. Campbell Ave. on Thursday, May 18 to Sunday, May 21 when the shopping center holds its first annual camper trailer show.

The public is invited to browse through a selection of campers and trailers being shown by Kenmar Mfg. Co., Tysland Trailer Sales, Alpine Recreational Sales and Almaden Volkswagens.

Though a bevy of antique cars studded the Kirkwood Plaza in a recent display, this will mark the first time the shopping center has hosted a camper-trailer show.

Students vie for \$1,000

Sindy McKay and David Rosenthal will be representing Campbell High School in the central coast finals of Bank of America's 25th annual Achievement Awards competition being held Thursday, May 25 in Monterey.

Cash awards of \$1,000, first place; \$750, second place and \$500, third place, will be on the line for the students, who were named winners in earlier local and regional competition.

Having already reviewed the outstanding young peoples' academic records, the judges will make final selections on the basis of interviews conducted May 25.

The Campbell High students will be in competition with 26 other young people.

Smokers break the habit at college clinic

A five-day anti-smoking clinic will be held 7:30 to 9:30 p.m., May 21 to 25, close on the heels of an identical and successful program in March.

The clinic, which utilizes medical and counseling experts, is being held in cooperation with the Central California Conference of Seventh Day Adventists.

The three-part program of discussion, information and follow-up, was tested by the Seventh Day Adventists over the past ten years, and is a proven means of breaking the smoking habit.

Interested participants may pay the \$2 fee when they register in West Valley College's Office of Community Services, Campbell campus, 44 E. Lati-mer Ave., room L-26, phone 379-1733, ext. 58.

RECORDS FALL FOR WVC

Three school records were broken last Saturday by the West Valley College tracksters at the West Coast Relays, but the Vikings couldn't manage to win an event. However, it did take a national record in the distance medley relay by Los Angeles City to edge WVC in the event.

The Vikings had beaten the team who posted the best time in the nation this year earlier in the season. WVC had the second best time in the U.S. going into the Relays.

Another school record, and the fourth best time in the nation, was turned in by the two-mile relay team. They had to settle for a fourth in the event but were clocked at 7:44.2.

Randy Carlson (Blackford), Mike Flack (Westmont), Mike Haniger (Mitty) and Mike Schaecher (Branham) ran 1:52.5, 50.0, 3:03.8 and 4:14 in the 880, 440, 1,320 and mile, respectively, for the record.

Just about the same group

romped to a two-mile fourth. Haniger was timed at 1:56.7 in his 880 with Schaecher running 1:57.6, Carlson 1:54.1 and Brad Syth 1:55.4.

Haniger, 51.1, Robbie Anderson (Campbell), 48.6, Carlson, 49.4, and Flack, 49.4, romped to a new WVC record in the mile relay at 3:18.5 but failed to place.

Seventeen Vikings have qualified for the Northern California meet to be held this week. The trials are Wednesday in Modesto and the finals Saturday in Salinas. Other than those already mentioned, John Murphy (Del Mar), triple jump, Steve Gibson (Saratoga), hurdles, Brooks Gregory (Blackford), sprints, and Mike Bassoni (Camden), discus and javelin top the list of competitors for the locals.

FORMER CATS GO ROUTE
WVC baseballers ended with a 13-8 CNC record, good for a second place.

Contra Costa stuck the Vikings with an 11-4 loss in their season finale last week. It was the first time in the season that the league champs had beaten WVC. Earlier in the week the Vikings beat Solano 7-1.

Two former Los Gatos high school pitchers took care of the mound chores for WVC in both ballgames. Dan Dolen tossed the Solano win with a neat three hitter while Dave Wright went the route against CCC.

Dolen fanned 15 Falcons as he picked up his third win of the league season. Bob Rasmussen (Branham), Chuck Behnke (Saratoga) and Rich Kehrig (Blackford) were the hitting stars in the win.

The Vikes outthit Contra Costa 14-11 but Wright walked 10 foes. Behnke was four for five and Len Valenti (Del Mar) three for four in the loss. Valenti homered and doubled to go with his single. Wright was two for four and Glen Asti (Prospect) doubled.

NETMEN END BEST YEAR
The most successful tennis season in the history of WVC came to a close last week as the doubles team of Jim Martin (Cupertino) and Dan Horgan (Santa Clara) were upset by a San Mateo pair at Nor-Cal.

The two lost 6-3, 7-5 to put an end to the 1972 racquet year. The Vikings nabbed a 17-19 dual-match record for the year.

College teaches varied sports

A wide variety of sports including basketball, soccer, water polo and lessons in golf and tennis will be available to the community in West Valley College's summer recreational program.

GOLF—Bob Sutter and Dick Schwendinger, West Valley instructors, and Jerry Vroom from San Jose State, will teach at Campbell and Alma golf course on Monday and Wednesday, 7 to 10 p.m. from Monday, May 22 to June 22.

BASKETBALL—On Tuesday and Thursday evenings, June 6 to July 27, 6 to 10 p.m., at Campbell campus, a recreational league for men will be coordinated by El Brown, West Valley basketball coach.

WATER POLO—Instruction and a recreational league for any high school or college student who is an average swimmer, will be given by Gene Nyquist, West Valley water polo coach.

TENNIS—Classes will be offered on Monday, Tuesday or Wednesday mornings from 9 a.m. to 10:15 for beginning players and 10:45 to noon for advanced from June 19 to July 28, at the Saratoga campus with instruction by Dan Braden. Classes will be limited to a maximum of 16.

SOCCER—This team sport will be taught Tuesday and Thursday from 5 to 9 p.m., June 20 to July 20. Two leagues will be set up—one for high school players and one for college and advanced high school. Dick Schwendinger, soccer coach at West Valley, will coordinate the leagues.

HEAD START

Volunteers working with Santa Clara Valley Head Start will be honored from 7 to 10 p.m., Wednesday, May 24 at the St. James Community Center, 199 N. 3rd., San Jose.

Rewarding ideas sought by "citizen" Bain

By Barbara Price

"We have the ballot box, now we're going to have the suggestion box."

Speaking? Russell C. Bain, 3790 Hamilton Park Dr., whose good ideas span several patents and are now on the verge of girdling America with a system for rewarding the suggestions of citizens.

Bain, a big-boned man and tall, with a warmth of personality and depth of vision to more than match his physical frame, touched off a legislative saga with his program for giving "the silent majority a voice."

In March, 1970, one year and hundreds of letters after he initially proposed the system to Arthur F. Burns, President Nixon's advisor, Bain saw his idea become a bill.

"The Citizen's Suggestion Award Act" now H.R. 779, was sponsored by Charles S. Gubser, representative, whose "1,000 per cent cooperation" attracted the support of 18 Congressmen, an unprecedented number.

Streams of letters enthusiastically endorsing the system flowed to Bain from over 20 state governors, from business men who have already saved millions of dollars through similar programs, and from the press, who have caught the spark of this exciting idea.

Especially interesting is a communique from Asher Shy, an Israeli official--"We in Israel...are considering the possibility of opening the suggestion scheme to the public."

Latest evidence of the program's phenomenal backing was its introduction two weeks ago into California's legislative council by Richard C. Hayden, assemblyman.

California would be the first state to adopt the system, and very likely will beat the national government in enactment of the program.

Why has the suggestion system stirred up such a storm of response? One clue comes from the persistent letter-writing of Bain, who is a technical manual writer for the U.S. Air Force Test Center, Sunnyvale.

"Russell C. Bain...has done the most fantastic job of generating nationwide support for this bill that I have ever witnessed in my 19 year's experience in Congress" wrote Charles S. Gubser.

"People want to be heard, and we've all got something to say," notes Bain, whose system is earmarked by concern for the "little man"--old people, drunks, priests, wealthy and minorities.

The technical writer envisions the program as changing the face of America by giving the citizen an outlet for communication.

The most far-reaching and

promising of an American tradition of suggestion systems, H.R. 779 will award Joe Citizen with cash, public recognition--and a more effective government.

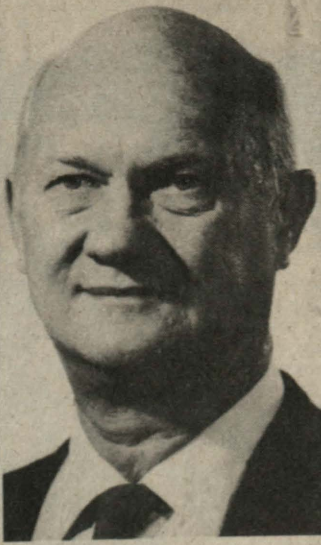

The system, explains Bain, will be administered nationally by a five-man Federal Commission.

Promotion, publicity and collection of suggestions will be handled by U.S. postal and voter registration channels.

Bain, who once worked as a draftsman, thinks visually and weaves grand gestures in the air as he explains the system.

"All suggestions will be printed, available to the public," he says, though noting that the selection boards will keep each idea completely confidential and anonymous until final choice is made.

Joe Citizen, who can deposit his complaint or idea at the local post office doesn't need to research to see if the idea has been used elsewhere. "That's the beauty of it" exclaims Bain, noting that the

RESOLUTIONS

The following resolution was offered:

By Assemblyman Hayden:

House Resolution No. 46

Relative to Citizen Suggestion awards

WHEREAS, The Legislature is committed to reducing the cost of state government, wherever possible, through greater efficiency; and WHEREAS, Many private citizens may have ideas which will result in substantial savings to the state; and WHEREAS, To encourage such citizens to come forward and present their ideas, it may be appropriate to offer financial awards for money-saving ideas; and

WHEREAS, California counties may pay awards to citizens for ideas resulting in financial savings to the counties pursuant to Chapter 458 of the Statutes of 1971, and the Congress has a bill before it, H.R. 12053, which would establish a similar reward plan with regard to savings to the federal government; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Committee on Rules is hereby requested to assign to an appropriate committee for study the subject of the establishment of a program of cash incentives for citizens who contribute practical ideas that improve the efficiency of state government and result in financial savings to the state; and be it further

Resolved, That such committee report its findings and recommendations to the Assembly on the date specified by the Rules Committee upon assignment of this resolution.

Resolution read, and referred by the Acting Speaker to the Committee on Rules.

that he came from a poor family. "We had holes in the bottoms of our shoes," he said.

The second oldest of nine children, he entered high school during depression years and began working in his early teens, and continued working full-time after high school.

He learned the value of hard work during the sometimes lean years and applied that discipline as he wrote hundreds of letters urging public and legislative support of the suggestion system.

What is needed now are

more letters, hundreds and thousands of them from "the silent majority," who will be using the suggestion system to communicate with and improve their government.

To express support of the California suggestion system, letters should go to Assemblyman Richard C. Hayden, California State Capitol Building, Sacramento, Calif.

The progress of H.R. 779 may be encouraged by writing Representative Charles S. Gubser, House of Representatives, 2373 Rayburn House, Washington, D.C. 20515.
